Chairman`s Letter

Welcome to Poolside Theatre, our home for staging musical shows and pantomimes since 1990.

I am delighted and proud to introduce you to our production of `OLIVER!`, a hugely popular Charles Dickens classic, providing an opportunity for our junior and adult members to work together and present you, our audience, with an excellent evening of entertainment.

Thank you for supporting Urmston Musical Theatre and I look forward to seeing you in January for our pantomime `Cinderella` .
A safe journey home to all of you.

Peter W. Pennington

OLIVER The Story

In one of the many charity workhouses of Victorian England, the orphan boys begin to fantasise about what food they could eat, before their miserable daily ration of gruel is served. Oliver dares to ask Mr Bumble, who runs the workhouse with the Widow Corney, for more food saying "please sir, I want some more"

Furious, Bumble decides that the workhouse is no place for a 'greedy' boy so he takes Oliver into the streets and sells him to Mr Sowerberry, the Undertaker.

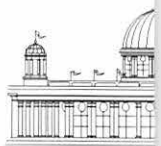

In the funeral parlour, Oliver dreams of the mother he cannot remember, and bullied and tormented by the Sowerberrys, runs away to London.

He is befriended by a street urchin, the Artful Dodger, who takes him to the Thieves Kitchen where he meets Fagin and his gang and is taught the noble art of pick-pocketing. There Oliver finds a friend in Nancy, girlfriend of the thug Bill Sykes.

Story

On his first attempt to steal, Oliver is caught and taken away by the police only to be released into the care of the elderly gentleman he tried to rob, Mr Brownlow.

Worried that Oliver may reveal them to the police, Fagin and Sykes send Nancy to get him back. She feels guilty for taking the boy from the only real home he has ever known but Nancy's love for Bill Sykes compels her to obey him. When Oliver sets out on an errand, she grabs him and takes him back to Fagin's den.

ty"

Later, however, she regrets her actions and attempts to return Oliver to Mr Brownlow at London Bridge. Sykes follows her and in a struggle, kills her. He takes Oliver, but the alarm has been raised and Bill Sykes is eventually cornered and shot dead.

Oliver is reunited with Mr Brownlow, who has discovered that Oliver is in fact his grandson. Fagin is left to contemplate the future and emerges from his hiding place to face a new life.
